Subject: Request to reopen claim for continued handling – 15290 Tyler Mill Drive

Hello,

I am writing to formally request that this claim be reopened for continued handling.

There are outstanding scope and damage considerations that were not addressed prior to closure. I am not submitting a settlement demand at this time.

Please confirm reopening of the claim and advise on the assigned adjuster so documentation can be submitted in an organized manner.

Attached is an initial damage report plus signed authorization by the homeowner.

Thank you,

Amy Ragan

Subject: Reopened Claim – Xactimate Scope Submission for Review

Property: 15290 Tyler Mill Drive, Athens, AL

Hello Dylan,

Per your instruction to move the claim forward, attached is a price-suppressed Xactimate estimate submitted for scope reconciliation and code/manufacture compliance review only.

Pricing has been intentionally omitted pending scope alignment and carrier reconciliation. The scope reflects work required to restore the roofing system to pre-loss condition while complying with applicable Athens, Alabama building code requirements and manufacturer installation standards.

Please confirm receipt and advise when the claim has been transferred to the assigned supplement adjuster for continued handling.
